

JINX

Specification Guide

Jinx is a versatile and customisable seating range that offers strength and style for any space. With the ability to tailor the design to your specific requirements, Jinx is the perfect choice for those who want to create a unique and personalised look.

The Jinx range includes laminate shell options that can be specified with one or two-tone colours, as well as upholstered pieces that come in an extensive range of fabrics. The metal frame options come in a variety of RAL colours, and there is also the option to specify wooden powder coating for those who prefer a wooden frame.

Jinx is a streamlined product range that combines functionality with design, making it a popular choice among those who appreciate modern style. Whether you need seating for a commercial or residential space, Jinx offers a high level of customisation that will help you create the perfect look for your environment.
