

IONIC

Soft Seating Collection

Ionic offers an extensive range of individual units that can be easily customised and configured to meet your specific requirements. Whether you need a cozy nook for focused work, a collaborative seating arrangement, or a relaxing lounge area, Ionic has you covered. With its modular design, you have the freedom to mix and match the units to create the perfect seating arrangement that fits your space and needs. From single seat sofa to a fully modular configuration, Ionic provides a wide selection of components that can be effortlessly combined to create a seating layout that suits your unique style and workflow.

Designed with meticulous attention to detail, Ionic presents a choice between metal or wooden legs, each available in our wide selection of finish colors. This allows you to effortlessly match your existing aesthetic or add a touch of vibrancy and personality to your space. The high-quality craftsmanship ensures not only visual appeal but also durability, guaranteeing that your Ionic seating will withstand the test of time and maintain its allure.
