CARE & MAINTENANCE

In order to guarantee the product solidity and durability, we suggest to

- Before use make sure of the product's correct assembly
- Do not remove any components from the chair manually or by using tools
- Check that the frame is completely flat on the floor and the floor does not allow any sliding of the chair
- Do not swing the chair while using
- Do not sit on the backrest or arms
- Do not stand or kneel on the chair
- Do not drag the chair while moving
- In case of liquid on the chair clear immediately by using a clean and dry cloth
- To clean the plastic use only neutral soap
- Avoid the use of chemical solvent or detergent because they might alter the aesthetical and physical characteristics of the product.
