

NALMA

SPECIFICATION GUIDE

Timber-framed table range available in three heights with MFC, laminate or Fenix tops. The frame is made from natural red oak. Designed to suit both workplace and hospitality environments, the collection also includes a matching stool, bar stool and bench, which can be upholstered in a customer's own fabric. Clean lines, solid materials and a consistent aesthetic make Nalma a versatile option for a variety of settings.

CARE & MAINTENANCE

To extend the lifespan of the furniture, we recommend the following guidelines:

- **Laminate:** Wash with a mild soap or detergent and lukewarm water solution. Use a clean soft cloth or sponge and only as much solution as needed. Rinse and dry by blotting.
- **MFC:** All substances accidentally spilt should be removed from the surface of the MFC product as soon as possible. If cleaning is required, we recommend cleaning MFC products with a clean, damp, non-abrasive cloth.
- **Metal:** Dust with a clean, soft cloth or the dusting tool on your vacuum. Clean with a cloth soaked in a mild detergent and water solution, baking soda and water (4 tablespoons baking soda in 1 quarter of water), or an all-purpose cleaner solution. Rinse and dry with a clean, soft cloth.
- For **upholstered** products, we recommend vacuuming gently with the brush accessory regularly.

WARRANTY

The company's warranty and guarantee are valid only on standard products supplied in mainland UK and given subject to the product being used for the purpose for which they are designed, with the exception of fair "wear and tear". All products are supplied with a 5 year warranty apart from the fabrics which are covered by the manufacturers own warranty or guarantee.

Note: Product specifications are subject to change after the date of print at ØRN Furniture's discretion. Confirm all finishes & dimensions with ØRN Furniture before placing final order. Images are guides only.
